

#### 5 Megapixel Outdoor Dome IP Camera DWC-MV950TIR

# Summary

The MV950TIR MEGApix camera is a vandal dome camera that offers up to 5 megapixels resolution at 10 frames per second. The camera's high megapixel display offers exceptional image, especially for applications where details and image analysis are crucial. In addition, the camera offers complete image control with features such as BLC, intelligentg Motion and Detection with Sensor Control, and PoE easy installation. The camera also supports local and remote backup via local SD Card and remotely to an FTP Server.

### **Features**

- ONVIF Compliant Profile S
- 5 Megapixels (2592x1920, 10fps) Resolution
